

Product Specification

Tony's – 3/S Hams (Smoked, Skinless, Shankless)

Product Code: 2303

Product Description:	Our delicious Triple "S" hams! Smoked, skinless, shankless hams are trimmed of excess fat. Made of pork and quality ingredients this product is slightly seasoned and naturally smoked in house for a premium ham product.
Sensory Attributes:	Smoked, Skinless, Shankless Hams have a darker exterior due to the cooking and smoking process. Meat is light to medium pink in colour with small layers of fat throughout. Ham may have sheen under certain light from the brine solution. There is bone guard over the bones. Product has a sweet and distinctly smoky aroma.
Storage:	Keep refrigerated below 4° Celsius
Shelf Life:	8 weeks - Please refer to the Best Before date on the package.
Directions for use:	Cook as desired to a minimum internal temperature of 70° Celsius.
Ingredients:	Pork, water, salt, sodium phosphate, sugar, sodium Erythorbate, sodium nitrite, spices, smoke, smoke flavour
